A FACT IS A FACT!
ABOUT THE BOOK
In these days of fake news and lies masquerading as truth, a New York Times bestselling author and the illustrator of The Bad Seed deliver a perfectly timed read-aloud to prove that the truth is out there, just waiting to be discovered.

In this spare, ingenious story that reads like a modern-day parable, the facts are out in the world, ready for anyone who wants to hear, “a fact is a fact,” and that’s that. Though some people continue to ignore them, the facts are out in the world, ready for anyone who wants to hear, “a fact is a fact,” and that’s that.
