

# Misty the Cloud

## A Very Stormy Day

When Misty the Cloud wakes up feeling stormy, nothing seems to make her day better! And Misty's grumbly mood affects everyone when her big emotions cause a thunderstorm to rumble across the sky. But with help from friends and family, Misty accepts that sometimes she's just going to be a little stormy—and it will always pass.

From award-winning meteorologist Dylan Dreyer, *Misty the Cloud: A Very Stormy Day* is the first book in a sky-high series about how to deal with good days, bad days, and everything in between.

### Before Reading

1. In small groups or as a class, have students name different emotions and why they might feel them.
2. Have students describe or draw a picture of how they're feeling.

### After Reading

1. How did Misty's mood affect Clare's day and mood?
2. What did Misty's mom mean when she said, "Remember, Misty . . . the more you grumble, the more you'll rumble"?

### Activity

1. Make a class bulletin board filled with different ways to brighten a classmate's day! For example, share a joke with a friend.
