THIRD SPREAD

What's in a book?

A title, the author's
and illustrator's
names, words
and pictures.
A story with
a beginning,
a middle and
an end.

FRONT COVER

FIRST SPREAD

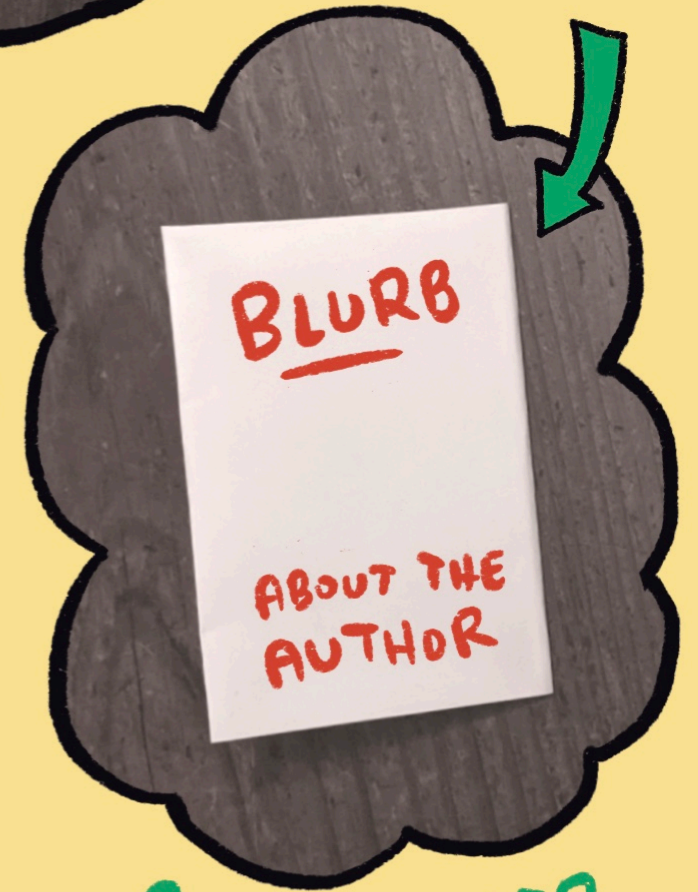

Sometimes there's
also a sentence
or "blurb" about
the book, and
a sentence or two -
a "bio" - on the
author and illustrator.

BACK COVER

FIRST SPREAD

BEGINNING

You can use these three "UP" sentences to write your story.
Think about some pictures to go with these sentences.

Stand up.

They can be anything you like—illustrations, patterns, cut and paste, or even photos. Remember, in a book, words and pictures work together to tell a story.

SECOND SPREAD

MIDDLE

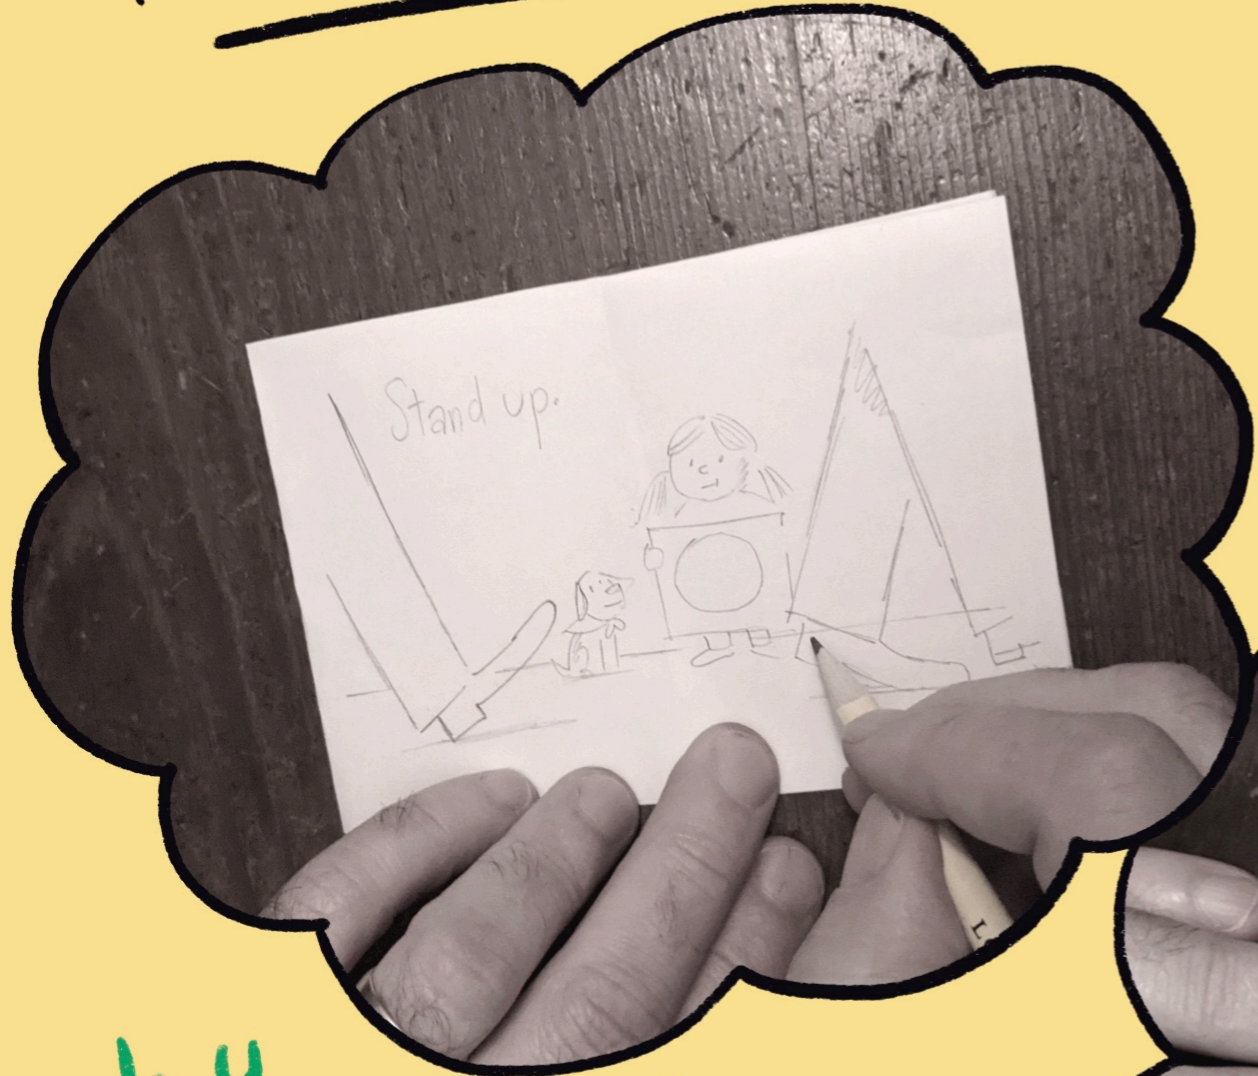

Speak up.

END

THIRD SPREAD

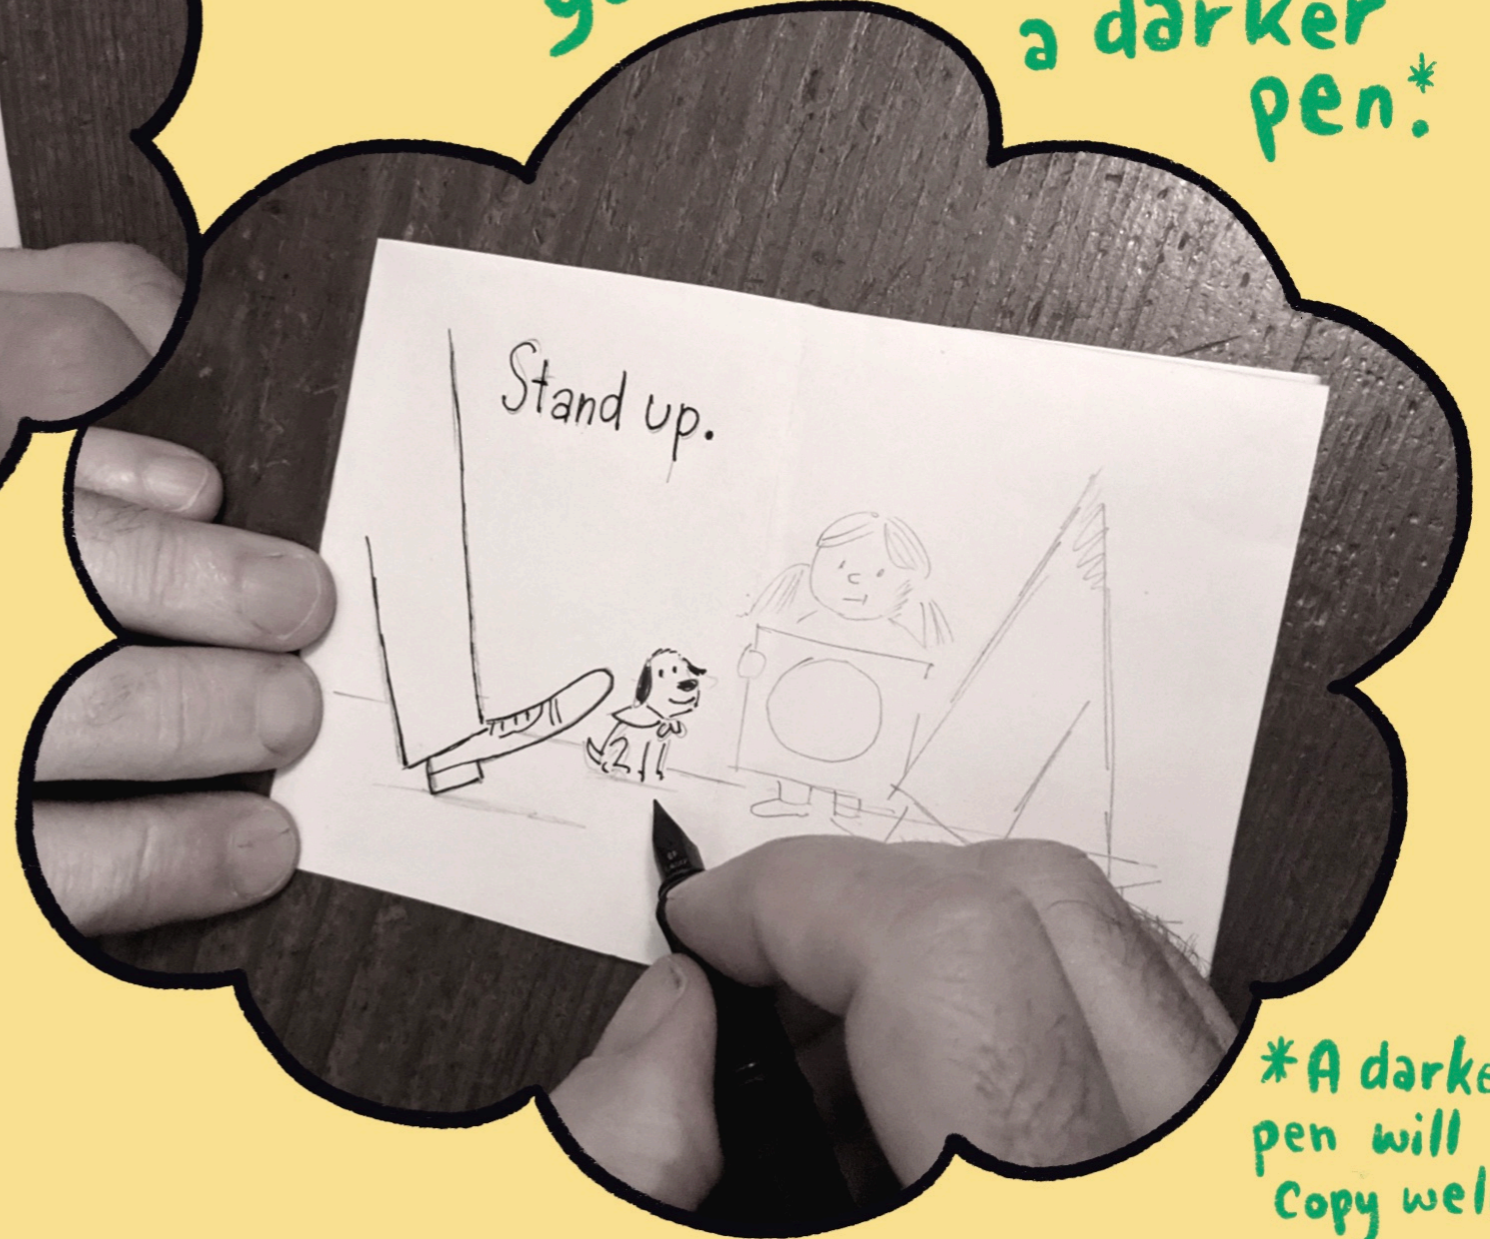

Show up!

Now it's time to write and draw your story!

1. You can start with pencil...

2. ... and then go over your drawing with a darker pen.*

*A darker pen will copy well.

Don't worry if you make
a mistake or want
to change something...

... just glue
another piece
of paper over
the top.
