

# Make Your Own Graphic Novel

## LET YOUR IMAGINATION RUN WILD!

Use a combination of art and words to create your own epic graphic novel-inspired story!

Fill each panel with a different scene from your story, and make sure to include speech bubbles so we'll know which characters are saying what.

Here are some questions you can answer to help you dream up your perfect story:

Will it take place on this planet or another? Are your main characters superheroes, normal kids, or both? Still stuck? Make your own story using the 5 Worlds characters!

Write your graphic novel's title here!

Set the stage! How does your world or planet look?

Introduce your main character or characters.

Action! Get your story going with an exciting action scene.
